28th February 2017

Dear Parent / Carer

We are half way through the year now, so I wanted to introduce myself to any parents whose children have started school with us since September, of who I am and how I can help, but also to remind parents who have been part of our school for a long time that I am here to support you with day to day life inside and outside of school.

I am a link between school, families and other agencies, but also a confidential ear, and if necessary will recommend who else may be able to help.

“Are you worried about something happening at home or at school?”

“Do you have questions but you’re not sure who to ask?”

“Do you want to leave a message at the gate for your child’s teacher?”

“Or do you just need someone to listen to you?”

Some other areas I can help with include:

- Passing on messages to your child’s teacher or other members of staff
- School Nurses, or applying for Free School Meals
- Form filling and applications/paperwork
- Early Help Support
- Access to parenting programmes and support at home.
- School events and timetables
- Support with challenging times

I can be contacted via the school office on the usual number, or via email at acornsuite.irchester.northants@dbprimary.com. Alternatively I am always standing on the gate each morning between 8.30am and 9am.

Please feel free to contact me at any time, I will always get back to you if I am not around.

Many thanks

Jo Thom
