Safeguarding, advice and training contacts:

Safeguarding Referrals must be made in one of the following ways:

- By telephone contact to the Multi-Agency Safeguarding Hub: **0300 126 1000**;
- By e-mail to: MASH@northamptonshire.qcsx.gov.uk;
- In an emergency outside office hours, by contacting the Emergency Duty Team or the Police.
- **If a child is in immediate danger at any time, left alone or missing, you should contact the police directly and/or an ambulance using 999.**

Multi-Agency Safeguarding Hub (M.A.S.H)

The Multi-Agency Safeguarding Hub (MASH) deals with referrals from professionals and members of the public who may have concerns about a child's welfare following contact with the helpline that is now also based in the Multi-Agency Safeguarding Hub. It makes the process of dealing with referrals quicker and more effective by improving the way county council: Children's social care, Northamptonshire Fire and Rescue Service (NFRS), Youth Offending Service (YOS) and education, work alongside other partner agency colleagues including Northamptonshire police, Northamptonshire health partners, National Probation Service, and the East Midlands Ambulance Service (EMAS) to share information.

1 Introduction

1.1 Irchester Community Primary School fully recognises the contribution it can make to protect children and support pupils in school. The pupils' welfare and safety is of paramount importance. The aim of the policy is to safeguard and promote our pupils' welfare, safety and health by fostering an honest, open, caring and supportive climate.

1.2.1 This policy is consistent with:

- the legal duty on schools to safeguard and promote the welfare of children, as described in section 175 of the Education Act 2002 [or section 157 of the Education Act 2002 for independent schools and academies]
- the statutory guidance *"Keeping Children Safe in Education – Statutory Guidance for Schools and Colleges"* - April 2016
- The government's *'Working Together 2013'* which sets out statutory guidance for agencies
- the Northamptonshire Local Safeguarding Children Board (LSCBN) Procedures, which contain procedures and guidance for safeguarding children.

1.3 There are four main elements to our Child Protection Policy:

- **Prevention** (e.g. positive, supportive school atmosphere, teaching and pastoral support to pupils, safer recruitment procedures);
- **Protection** (by following agreed procedures, ensuring all staff are trained and supported to respond appropriately and sensitively to Child Protection concerns);
- **Support** (to pupils and school staff and to children who may have been abused);
- **Working with parents** (to ensure appropriate communications and actions are undertaken).

1.4 This policy applies to all staff, governors and visitors to the school. We recognise that child protection is the responsibility of **all** staff. We ensure that all parents and other working partners are aware of our child protection policy by highlighting it in our school prospectus and on our school website, displaying appropriate information in our reception and by raising awareness at meetings with parents.

1.5 Extended School Activities

Where the Governing Body provides services or activities directly under the supervision or management of school staff, the school's arrangements for child protection will apply. Where services or activities are provided separately by another body, the Governing Body will seek assurance in writing that the body concerned has appropriate policies and procedures in place to safeguard and protect children and that there are arrangements to liaise with the school on these matters where appropriate.

2 Safeguarding Commitment

2.1 The school adapts an open and accepting attitude towards children as part of its responsibility for pastoral care. All staff encourage children and parents to feel free to talk about any concerns and to see school as a safe place when there are difficulties. Children's fears and concerns will be taken seriously and children are encouraged to seek help from members of staff.

2.2 Our school will therefore:

- Establish and maintain an ethos where children feel secure and are encouraged to talk, and are always listened to;
- Ensure that children know that there are adults in the school whom they can approach if they are worried or are in difficulty;
- Include in the curriculum activities and opportunities for PSHE/Citizenship which equip children with the skills they need to stay safe from abuse (including online), and to know to whom they can turn for help;
- Provide opportunities to establish effective working relationships with parents and colleagues from other agencies;
- Operate safer recruitment procedures and make sure that all appropriate checks are carried out on new staff and volunteers who will work with children, including references, Criminal Record and prohibition from teaching checks.

2.3 Safeguarding in the Curriculum

The following areas are among those addressed in PSHE and in the wider curriculum:

Bullying / Cyberbullying
Relationships / Domestic violence
Drug, alcohol and substance abuse
E Safety / Internet Safety
Fire and Water Safety
Protective Behaviours / Stranger Awareness
Peer on peer abuse
Road Safety
Other safeguarding issues as relevant.

3 Roles and Responsibilities

3.1 General

All adults working with or on behalf of children have a responsibility to safeguard and promote their welfare. This includes a responsibility to be alert to possible abuse and to record and report concerns without delay to staff identified with child protection responsibilities within the school.

The names of the Designated Safeguarding Leads (DSL) for the current year are listed at the start of this document. All staff to understand the role of the DSL.

3.2 **Governing Body**

In accordance with the Statutory Guidance *“Keeping Children Safe in Education” - 2016*, the Governing Body will ensure that:

- The school has a child protection/safeguarding policy, procedures and training in place which are effective and comply with the law at all times. The policy is made available publicly;
- The school operates safer recruitment practices, including appropriate use of references and checks on new staff and volunteers. Furthermore, the Headteacher, a nominated Governor and other staff involved in the recruitment process have undertaken appropriate Safer Recruitment training;
- There are clear procedures for dealing with allegations of abuse against members of staff and volunteers;
- There is a senior member of the school’s leadership team who is designated to take lead responsibility for dealing with child protection (the “Designated Safeguarding Lead”) and that there is always cover for this role;
- The Designated Safeguarding Lead undertakes local training (in addition to basic child protection training) and this is refreshed every two years;
- The Headteacher, and all other staff and volunteers who work with children, undertake appropriate training which is regularly updated (annually); and that new staff and volunteers who work with children are made aware of the school’s arrangements for child protection and their responsibilities. The Local Authority pocket guide, “Making Children Safer”, the “Keeping Children Safe in Education - 2016 – Information for all School and College Staff” and the “Staff Code of Conduct” will be used as part of this induction;
- Any deficiencies or weaknesses brought to the attention of the Governing Body will be rectified without delay;
- The Chair of Governors (or, in the absence of a Chair, the Vice Chair) deals with any allegations of abuse made against the Headteacher, in liaison with the Local Authority Designated Officer (LADO);
- Effective policies and procedures are in place and updated annually including a behaviour policy/“code of conduct” for staff and volunteers. Information is provided to the Local Authority (on behalf of the LSCBN) through the Annual Section 11 Safeguarding Return;
- The Chair of the Governing Body will champion issues to do with safeguarding children and child protection within the school and liaise with the Designated Safeguarding Lead to provide information and reports to the Governing Body;

- The school contributes to inter-agency working in line with statutory guidance “*Working Together to Safeguard Children*” 2013 and *Northamptonshire County Council’s “Thresholds and Pathways Document”* including providing a co-ordinated offer of early help for children who require this. Safeguarding arrangements take into account the procedures and practice of the local authority and the Local Safeguarding Children Board for Northamptonshire (LSCBN).

3.3 Headteacher

The Headteacher of the school will ensure that:

- The policies and procedures adopted by the Governing Body are effectively implemented, and followed by all staff;
- Sufficient resources and time are allocated to enable the Safeguarding Lead and other staff to discharge their responsibilities, including taking part in strategy discussions and other inter-agency meetings, and contributing to the assessment of children;
- Allegations of abuse or concerns that a member of staff or adult working at school may pose a risk of harm to a child or young person are notified to the Local Authority Designated Officer (LADO);
- All staff and volunteers feel able to raise concerns about poor or unsafe practice in regard to children, and such concerns are addressed sensitively, confidentially and effectively in a timely manner;
- All staff are made aware that they have an individual responsibility to pass on safeguarding concerns and that if all else fails to report these directly to Children’s Social Care Services or the Police.

3.4 Designated Safeguarding Lead

The responsibilities of the Designated Safeguarding Lead are found in *Annex B* of “*Keeping Children Safe in Education*” 2016 and include:

- Provision of information to the LSCBN/Local Authority on safeguarding and child protection;
- Liaison with the Governing Body and the Local Authority on any deficiencies brought to the attention of the Governing Body and how these should be rectified without delay;
- Referral of cases of suspected abuse to Multi-Agency Safeguarding Hub (and/or Police where a crime may have been committed);
- Acting as a source of support, advice and expertise within the school;

- Attending and contributing to child protection conferences when required;
- Ensuring each member of staff has access to and understands the school's child protection policy especially new or part-time staff and lunch time staff who may work with different educational establishments;
- Ensuring all staff have induction training covering child protection and are able to recognise and report any concerns immediately they arise. Ensure all staff are given the guidance - the Local Authority pocket guide, "Making Children Safer", the "Keeping Children Safe in Education" - 2016 – Information for all School and College Staff" and the "Staff Code of Conduct";
- Keeping detailed, accurate and secure written records of concerns and referrals;
- Obtaining access to resources and training for all staff and attend refresher training courses every year;
- Where children leave the school, ensuring that their child protection file is copied and handed to the Designated Safeguarding Lead of the receiving school/setting and signed for in the new school/college as soon as possible. (Original records must be maintained securely by the school);
- Maintaining and monitoring child protection records, including monitoring and acting upon individual concerns, patterns of concerns or complaints, in accordance with section on "Records and Monitoring" below.

4 Records, Monitoring and Transfer

- 4.1 Well-kept records are essential to good child protection practice. All staff are clear about the need to record and report concerns about a child or children within the school. The Designated Safeguarding Lead is responsible for such records and for deciding at what point these records should be shared with, or copied and passed over to, other agencies.
- 4.2 Records relating to actual or alleged abuse or neglect are stored separately and securely from normal pupil or staff records. Normal records have markers to show that there is sensitive material stored elsewhere. This is to protect individuals from accidental access to sensitive material by those who do not need to know.
- 4.3 Child protection records are stored securely, with access confined to specific staff, e.g. the Designated Safeguarding Leads.
- 4.4 Child protection records are reviewed regularly to check whether any action or updating is needed. This includes monitoring patterns of complaints or concerns about any individuals and ensuring these are acted upon.
- 4.5 When children transfer school copies of all their child protection records are also transferred. Safeguarding records will be transferred separately from other records and best practice is to pass these directly to a Designated Safeguarding Lead in the

receiving school, with any necessary discussion or explanation and to obtain a signed and dated record of the transfer. In the event of a child moving out of area and a physical handover not being possible then the most secure method possible should be found to send copies of the confidential records to a named Designated Safeguarding Lead by registered post and original documents kept (until a child has reached 25 or 75 if the child is a looked after child). Files requested by other agencies e.g. Police, should be copied and shared as appropriate.

4.6 Training of all will be updated annually

5 Support for Pupils and School staff

5.1 Support for pupils

Our school recognises that children who are abused or who witness violence may find it difficult to develop a sense of self-worth and view the world in a positive way. For such children school may be one of the few stable, secure and predictable aspects of their lives. Other children may be vulnerable because, for instance, they have a disability, are in care, or are experiencing some form of neglect. We will actively seek to provide such children with the necessary support and to build their self-esteem and confidence.

5.2 This school recognises that children sometimes display abusive behaviour and that such incidents must be referred on for appropriate support and intervention.

5.3 Complaints or concerns raised by pupils will be taken seriously and followed up in accordance with the school's complaints process.

5.4 Support for Staff

As part of their duty to safeguard and promote the welfare of children and young people staff may hear information, either from the child/young person as part of a disclosure or from another adult that will be upsetting. Where a member of staff is distressed as a result of dealing with a child protection concern, he/she should in the first instance speak to the Designated Safeguarding Lead about the support he/she requires. The Designated Safeguarding Lead should seek to arrange the necessary support.

6 Working with Parents/Carers

The school will:

- Ensure that parents/carers have an understanding of the responsibility placed on the school and staff for child protection by setting out its obligations in the school prospectus and on the school website;
- Undertake appropriate discussion with parents/carers prior to involvement of CYPS Specialist Services (Children's Social Care) or another agency, unless to do so would place the child at risk of harm or compromise an investigation.

7 Other Relevant Policies

7.1 The Governing Body's statutory responsibility for safeguarding the welfare of children goes beyond simply child protection. The duty is to ensure that safeguarding permeates all activity and functions. This policy therefore complements and supports a range of other policies and procedures, for instance:

- Behaviour Policy
- Racist Incidents
- Anti-Bullying (including Cyberbullying)
- Positive Handling Policy /Restraint (DfE Guidance - "Use of Reasonable Force" and "Screening, Searching and Confiscation")
- Inclusion Policy
- Education Visits Policy
- First Aid and the Administration of Medicines
- Health and Safety
- Sex and Relationships Education
- Security Policy
- Equal Opportunities
- Toileting/Intimate care
- E-safety
- Extended school activities

The above list is not exhaustive but when undertaking development or planning of any kind the school needs to consider the implications for safeguarding and promoting the welfare of children.

8 Recruitment and Selection of Staff

8.1 The school's safer recruitment processes are based on the Statutory Guidance: *"Keeping Children Safe in Education" - April 2016*. The school will provide all the relevant information in references for a member of staff about whom there have been concerns about child protection / inappropriate conduct. Cases in which an allegation has been proven to be unsubstantiated, false or malicious will not be included in employer references. A history of repeated concerns or allegations which have all been found to be unsubstantiated, malicious etc. will also not be included in a reference.

8.2 The school has an open safeguarding ethos regularly addressing safeguarding responsibilities during staff meetings and fostering an ongoing culture of vigilance. All new staff and volunteers receive a safeguarding induction and are briefed on the code of conduct for adults working with children. The Northamptonshire County Council Local Authority pocket guide, "Making Children Safer", the "Keeping Children Safe in Education 2016 – Information for all school and college staff" and the "Staff Code of Conduct" are given to all staff and are the basis for the safeguarding induction.

8.3 On every interview panel for school staff at least one member (teacher/manager or governor) will have undertaken safer recruitment training either online on the DfE website or by attending other another appropriate local or national accredited training course.

- 8.4 All staff and regular volunteers will be subject to DBS clearance. All staff are required to sign a self declaration form re childcare disqualification issues.

Complex Case Meetings and Locality Forums operate across Northamptonshire:

Complex Case Meetings

Meetings take place every two weeks in each district or borough – and more frequently if needed. The aim is to provide a responsive service to families and professionals. Schools can complete an online request form e-mailed to the appropriate address for your area, detailing the risks and issues and intended outcomes from a case discussion. Schools must have the family's consent for case discussion. If the concerns raised can be resolved without coming to a meeting, a CAF coordinator or Troubled Families coordinator will contact the schools to offer advice and to agree actions. If the outcome of a complex case meeting is a referral to a particular service, this will be made by the chair of the meeting.

Locality Forums

The county's Early Help Forums have been replaced by ten Locality Forums that will build on existing relationships between professionals. This will help us all to move to an early intervention response that addresses the needs of the local area and build a shared understanding of the profile and emerging priorities of each local area.

Joining up resources and developing solutions to address local needs will be a key role of the new Locality Forums, which will be made up of key local stakeholders including schools, children's centres, NCC education, GPs and school nurses.

APPENDIX 1

DEFINITIONS OF ABUSE

(from 'Keeping Children Safe in Education' 2016)

What is Child Abuse?

“A form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. They may be abused by an adult or adults or another child or children.”

Physical Abuse

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child.

Physical harm may also be caused when a parent or carer fabricates the symptoms of or deliberately induces illness in a child.

Sexual Abuse

Sexual Abuse involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (e.g. rape or oral sex) or non-penetrative acts such as masturbation, rubbing or touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of sexual images, watching sexual activities, or encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can commit sexual abuse, as can children.

Neglect

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse.

Once a child is born Neglect may involve a parent or carer failing to:

- provide adequate food and clothing, shelter (including exclusion from home or abandonment);
- protect a child from physical and emotional harm or danger;
- ensure adequate supervision (including the use of inadequate care takers); or
- ensure access to appropriate medical care or treatment.

It may also include neglect of, or unresponsiveness to a child's basic emotional needs.

Emotional Abuse

Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate.

It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction.

It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber-bullying) causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of Emotional Abuse is involved in all types of maltreatment of a child, though it may occur alone.

Peer on peer abuse

Peer on peer abuse is when a child might have been abused by another child.

There is no clear boundary between incidents that should be regarded as abusive and incidents that are more properly dealt with as bullying, sexual experimentation etc. This is a matter of professional judgment.

If one child or young person causes harm to another, this should not necessarily be dealt with as abuse: bullying, fighting and harassment between children are not generally seen as child protection issues. However, any concern must be referred to the DSL particularly if:

- There is a large difference in power (for example age, size, ability, development) between the young people concerned; or
- The perpetrator has repeatedly tried to harm one or more other children; or
- There are concerns about the intention of the alleged perpetrator.

If the evidence suggests that there was an intention to cause severe harm to the victim, this should be regarded as abusive whether or not severe harm was actually caused.

APPENDIX 2

PROCEDURE TO FOLLOW IN CASES OF POSSIBLE, ALLEGED OR SUSPECTED ABUSE, OR SERIOUS CAUSE FOR CONCERN ABOUT A CHILD

Contents

A	General	
B	Individual Staff/Volunteers/Other Adults - main procedural steps	
C	Designated Safeguarding Lead – main procedural steps	

A. General

- 1) The Local Safeguarding Children Board for Northamptonshire Procedures contains the inter-agency processes, protocols and expectations for safeguarding children. (Available

on LSCBN website www.lscbnorthamptonshire.org.uk). The Designated Safeguarding Lead is expected to be familiar with these, particularly the referral processes and with NCC “Thresholds and Pathways”.

- 2) It is important that all parties act swiftly and avoid delays.
- 3) Any person may seek advice and guidance from the Multi-Agency Safeguarding Hub particularly if there is doubt about how to proceed (see contacts at the start of this policy document). Any adult, whatever their role, can take action in his/her own right to ensure that an allegation or concern is investigated and can report to the investigating agencies.
- 4) Written records, dated and signed, must be made to what has been alleged, noticed and reported, and kept securely and confidentially.
- 5) In many cases of concern there will be an expectation that there have already been positive steps taken to work with parents and relevant parties to help alleviate the concerns and effect an improvement for the child. This is appropriate where it is thought a child may be in need in some way, and require assessment to see whether additional support and services are required. An example might be where it is suspected a child may be the subject of neglect. In most cases the parents’ knowledge and consent to the referral are expected, unless there is reason for this not being in the child’s interest. However, there will be circumstances when informing the parent/carer of a referral that might put the child at risk, and in individual cases advice from Children’s Social Care will need to be taken.

B. Individual Staff/Volunteers/Other Adults – main procedural steps

- 1) When a child makes a disclosure, or when concerns are received from other sources, do not investigate, ask leading questions, examine children, or promise confidentiality. Children making disclosures should be reassured and if possible at this stage should be informed what action will be taken next.
- 2) As soon as possible write a dated, timed and signed note (on the yellow report form) of what has been disclosed or noticed, said or done and report to the Designated Safeguarding Lead in the school.
- 3) If the concern involves the conduct of a member of staff or volunteer, a visitor, a governor, a trainee or another young person or child, the Headteacher must be informed. The Headteacher will contact the LADO to seek advice.
- 4) If the allegation is about the Headteacher, the information should normally be passed to the Chair of Governors or the Local Authority Designated Officer (LADO). See contacts on page 3 of this policy.
- 5) If this has not already been done, inform the child (or other party who has raised the concern) what action you have taken.
- 6) Teachers must personally report to the police a disclosure that FGM (Female Genital Mutilation) has been carried out (after liaising with the DSL).

C. Designated Safeguarding Lead – Main Procedural Steps

- 1) Begin a case file for pupils where there are concerns, with an overview chronology, which will hold a record of communications and actions. This must be stored securely (see Section on Records and Monitoring).
- 2) Where initial enquiries do not justify a referral to the investigating agencies inform the initiating adult and monitor the situation. If in doubt, seek advice from the Multi-Agency Safeguarding Hub: 0300 126 1000.
- 3) Share information confidentially with those who need to know.
- 4) Where there is a child protection concern requiring immediate, same day, intervention from Children’s Social Care (Priority 1), the Multi-Agency Safeguarding Hub should be contacted immediately by phone. Written confirmation should follow within 24 hours on the LSCBN Agency Referral Form. All other referrals should be made firstly through a telephone conversation with the Multi-Agency Safeguarding Hub and then by following up with the online form, where requested to do so. The Multi-Agency Safeguarding Hub is available for advice on the advice line number given in the contact details on page 3 of this document.
- 5) If it appears that urgent medical attention is required arrange for the child to be taken to hospital (normally this means calling an ambulance) accompanied by a member of staff who must inform medical staff that non-accidental injury is suspected. Parents must be informed that the child has been taken to hospital.
- 6) Exceptional circumstances: If it is feared that the child might be at immediate risk on leaving school, take advice from the Multi-Agency Safeguarding Hub (for instance about difficulties if the school day has ended, or on whether to contact the police). Remain with the child until the Social Worker or Police take responsibility. If in these circumstances a parent arrives to collect the child, the member of staff has no right to withhold the child, unless there are current legal restrictions in force (e.g. a restraining order). If there are clear signs of physical risk or threat, the Multi-Agency Safeguarding Hub should be updated and the Police should be contacted immediately.

APPENDIX 3

PROCESS FOR DEALING WITH ALLEGATIONS AGAINST STAFF (INCLUDING HEADTEACHERS) AND VOLUNTEERS (References to staff in this process include staff in schools, central services and volunteers).

These procedures should be followed in all cases in which there is an allegation or suspicion that a person working with children has:

- behaved in a way that has harmed a child, or may have harmed a child;
- possibly committed a criminal offence against or related to a child; or
- behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children.

Relevant documents:

- DfE *“Keeping Children Safe in Education: Statutory guidance for schools and colleges”* - April 2016 (part 4).
- LSCBN procedures – Section 5.

A. Individual Staff/Volunteers/Other Adults who receive the allegation:

- 1) Write a dated and timed note of what has been disclosed or noticed, said or done.
- 2) Report immediately to the Headteacher.
- 3) Pass on the written record.
- 4) If the allegation concerns the conduct of the Headteacher, report immediately to the Chair of Governors. Pass on the written record. (If there is difficulty reporting to the Chair of Governors, contact the LADO as soon as possible or if unavailable contact the Multi-Agency Safeguarding Hub on the same day.)

B. Headteacher

- 1) If there is no written record, write a dated and timed note of what has been disclosed or noticed, said or done.
- 2) Before taking further action notify and seek advice from the LADO, or if unavailable the Multi-Agency Safeguarding Hub on the same day.
- 3) You may be asked to clarify details or the circumstances of the allegation, but this must not amount to an investigation.
- 4) Report to the Multi-Agency Safeguarding Hub if the LADO so advises or if circumstances require a referral.
- 5) Ongoing involvement in cases:
 - Liaison with the LADO
 - Co-operation with the investigating agency's enquiries as appropriate.
 - Consideration of employment issues and possible disciplinary action where the investigating agencies take no further action.

C. Chair of Governors (only relevant in the case of an allegation against the Headteacher)

- 1) If there is no written record, write a dated and timed note of what has been disclosed or noticed, said or done.
- 2) Notify the LADO, or if unavailable the Multi-Agency Safeguarding Hub on the same day.
- 3) You may be asked to clarify details or the circumstances of the allegation, but this must not amount to an investigation.

- 4) Report to the Multi-Agency Safeguarding Hub if the LADO so advises or if circumstances require a referral.
- 5) Ongoing involvement in cases:
 - Liaison with the LADO
 - Co-operation with the investigating agency's enquiries as appropriate.
 - Consideration of employment issues and possible disciplinary action where the investigating agencies take no further action.

APPENDIX 4

To ensure the safety and welfare of the children in our care our Acceptable Use of ICT and E-safety policy outlines the protocol for the use of personal mobile phones, lap tops, cameras and handheld devices in the school.

APPENDIX 5

Allegations of abuse made against other children

Staff should recognise that children are capable of abusing their peers. Peer on peer abuse can manifest itself in many ways.

Observational Behaviours

- Inappropriate language between gender
- Low esteem
- Reluctance to participate or engage
- Avoiding others
- Seeking constant reassurance
- Anxiety about changing for PE or swimming
- Over sexualised language and behaviours between peers
- Vague disclosure
- Medical related issues
- Servitude e.g. hand snack / possessions over to peers
- Inappropriate internet and mobile phone use

Risk indicators

- Imbalance in power between peers
- Isolated children: physical, developmental disability
- Inadequate in sports and recreational activities
- Considered an outsider by peers
- Lonely, quiet or shy children
- Poor supervision of internet and mobile phone usage

APPENDIX 6

Signs and indicators of Radicalisation

Observational Behaviours

- Low self-esteem;
- Disassociating from existing friendship group
- Becoming involved with a new and different group of friends
- A need for belonging
- Searching for answers to questions about identity, faith and belonging
- Change in behaviour or appearance linked to ideological views
- Graffiti symbols, writing or artwork
- Promoting extremist messages or images
- Being secretive about who they've been talking to online and what sites they visit
- Switching screens when you come near the phone, tablet or computer, possessing items – electronic devices or phones – you haven't given them
- Becoming emotionally volatile.

Risk Indicators

- Those experiencing an identity or personal crisis
- People with a need for adventure or excitement
- Individuals who feel socially isolated, and possibly, suffering from depression;
- Those who have a history of criminal behaviour.
- Family tensions; sense of isolation;
- Identity Crisis - Distance from cultural / religious heritage
- Alienation from UK values
- Association with others who hold extremist views;
- Possession of literature associated with extremist views, or online material including networking sites
- A conviction that their religion, culture or beliefs are under threat
- A tendency to look for conspiracy theories and distrust of mainstream media

APPENDIX 7

Signs and indicators of Child Sexual Exploitation

Observational Behaviours

- They may be anxious
- Withdrawn
- Clingy
- Depressed
- Aggressive
- Have sleeping problems
- Change their eating habits
- Use alcohol or drugs
- Start bedwetting
- Have obsessive behaviour
- Distrust of authority figures

Risk Indicators

- They might be going to parties with older people
- They may receive gifts such as perfume, phones, jewellery or electronic devices
- They may be talking to older people or unknown people online.
- They may be in a relationship with an older person
- They may go missing from school or care
- They may be in a gang

APPENDIX 8

Signs and Indicators of FGM

Physical Observation

- Damage to genitalia
- Soreness in genital area
- Difficulty walking, sitting or standing
- Spending longer than normal in the bathroom or toilet
- Unusual behaviour after a lengthy absence
- Reluctance to undergo normal medical examinations
- Asking for help, but may not be explicit about the problem due to embarrassment or fear
- Unexplained recurrent urinary tract infections and discharge or abdominal pain

Risk Factors

- Family request an 'authorised absence' for just before or just after the summer school holidays.
- Low level of integration into UK society
- Mother or sister who have undergone FGM
- Girls who are withdrawn from PSHE
- A visiting female elder from the country of origin
- Being taken on a long holiday to the family's country of origin
- Talk about a 'special' event or procedure to 'become a woman'
- Occurs mostly to girls aged from 5 – 8 years old; but up to around 15

APPENDIX 9

Current Safeguarding Issues

(The following Safeguarding issues are all considered to be child Protection issues and should be referred immediately to the most relevant agency. The issues featured below are linked to guidance and local procedures which can be found on the Northampton Safeguarding Children Board website at: www.northamptonshirescb.org.uk. (Direct links to the policies listed below are included where available).

Some members of our communities hold beliefs that may be common within particular cultures but which are against the law of England. Irchester Community Primary School (ICPS) does not condone practices that are illegal and which are harmful to children. Examples of particular practices are:

Forced Marriage

Irchester Community Primary School does not support the idea of forcing someone to marry without their consent.

Under-age Marriage

In England, a young person cannot legally marry until they are 16 years old (without the consent of their parents or carers) nor have sexual relationships.

Genital mutilation/female circumcision

This is against the law yet for some communities it is considered a religious act and cultural requirement. It is illegal for someone to arrange for a child to go abroad with the intention of having her circumcised. If any of the above areas of concern is brought to the attention of ICPS, we will report those concerns to the appropriate agency in order to prevent this form of abuse taking place.

Ritualistic Abuse

Some faiths believe that spirits and demons can possess people (including children). What should never be considered is the use of any physical or psychological violence to get rid of

the possessing spirit. This is abusive and will result in the criminal conviction of those using this form of abuse even if the intention is to help the child.

Children Missing Education

“Basic to safeguarding children is to ensure their attendance at school.” (OFSTED 2002). Children are best protected by regularly attending school where they will be safe from harm and where there are professionals to monitor their well-being. At ICPS we will encourage the full attendance of all of our children at school. Where we have concerns that a child is missing education because of suspected abuse, we will liaise with the appropriate agency including the Education Attendance Service to effectively manage the risks and to prevent abuse from taking place.

Sexually Active under Eighteen years old

It is acknowledged by those working with young people that most young people under the age of 18 will have an interest in sex and sexual relationships. The Protocol for Sexually Active Young People under 18 years old has been designed to assist those working with children and young people to identify where these relationships may be abusive, and the children and young people may need the provision of protection or additional services. At ICPS, we will ensure our policy for managing this issue links to the available protocol.

Safeguarding Disabled Children

Disabled children have exactly the same human rights to be safe from abuse and neglect, to be protected from harm and achieve the Every Child Matters outcomes as non-disabled children.

Disabled children (refer to SEN policy for definition of disabled) do however require additional action. This is because they experience greater risks and ‘created vulnerability’ as a result of negative attitudes about disabled children and unequal access to services and resources, and because they may have additional needs relating to physical, sensory, cognitive and/ or communication impairment (Safeguarding Children, DCSF, July 2009). We will ensure that our disabled children are listened to and responded to appropriately where they have concerns regarding abuse. Particularly as they may disclose their abuse in a different way to their peers. In order to do this we will ensure that our staff and volunteers receive the relevant training to raise awareness and have access to specialist staff in the event they have concerns regarding abuse of a child.

Honour Based Violence

Honour based violence’ is a crime or incident, which has or may have been committed to protect or defend the honour of the family and/or community’. It is important to be alert to signs of distress and indications such as self-harm, absence from school and truancy, infections resulting from female genital mutilation, isolation from peers, being monitored by family, not participating in school activities, unreasonable restrictions at home. Where it is suspected that a child/young person is at risk from Honour based violence the DSL will report those concerns to the appropriate agency in order to prevent this form of abuse taking place.

Trafficked Children

Child trafficking involves moving children across or within national or international borders for the purposes of exploitation. Exploitation includes children being used for sex work, domestic work, restaurant/ sweatshop, drug dealing, shoplifting and benefit fraud. Where ICPS is made aware of a child is suspected of or actually being trafficked/exploited we will report our concerns to the appropriate agency.

Domestic Abuse

The Government defines domestic abuse as “*Any incident of threatening behaviour, violence or abuse (psychological, physical, sexual, financial or emotional) between adults who are or have been intimate partners or family members regardless of gender or sexuality*”

Staff need to understand what is required of them if children are members of the household where domestic abuse is known or suspected to be taking place. Our policy includes action to be taken regarding referrals to the Police and Children and Young People’s Services and any action to be taken where a member of staff is the alleged perpetrator or victim of domestic abuse. At ICPS we will follow our safeguarding policy and report any suspected concerns regarding Domestic Abuse to the relevant agency.

Private Fostering

Private fostering is an arrangement made between the parent and the private foster carer, who then becomes responsible for caring for the child in such a way as to safeguard and promote his/her welfare.

A privately fostered child means a child under the age of 16 (18 if a disabled child) who is cared for and provided with accommodation by someone other than:

- A parent.
- A person who is not a parent but has parental responsibility.
- A close relative.
- A Local Authority.

for more than 28 days and where the care is intended to continue. It is a statutory duty for us at ICPS to inform the Local Authority where we are made aware of a child or young person who may be subject to private fostering arrangements.

Child Exploitation and E-Safety

Children and young people can be exploited and suffer bullying through their use of modern technology such as the internet, mobile phones and social networking sites.

In order to minimize the risks to our children and young people ICPS will ensure that we have in place appropriate measures such as security filtering, and an acceptable use policy linked to our ICT (Safe Use of the Internet) policy. We will ensure that staff are aware of how not to compromise their position of trust in or outside of the school and are aware of the dangers associated with social networking sites.

Our Safe Use of the Internet policy will clearly state that mobile phone or electronic communications with a student at our school is not acceptable other than for approved school business e.g. coursework, mentoring. Where it is suspected that a child is at risk from internet abuse or cyber bullying we will report our concerns to the appropriate agency.

Prevent – To protect those vulnerable to, or at risk of, being radicalised to extreme viewpoints.

The school recognises its duty to protect our students from indoctrination into any form of extreme ideology which may lead to the harm of self or others. This is particularly important because of the open access to electronic information through the internet. The school aims to safeguard young people through educating them on the appropriate use of social media and the dangers of downloading and sharing inappropriate material which is illegal under the

Counter-Terrorism Act. The school vets all visitors carefully and will take firm action if any individual or group is perceived to be attempting to influence members of our school community, either physically or electronically. Our definition of radical or extreme ideology is 'a set of ideas which could justify vilification or violence against individuals, groups or self.' Staff are trained to be vigilant for spotting signs of extremist view and behaviours and to always report anything which may suggest a student is expressing opinions which may cause concern. Our core mission of diversity permeates all we do. We place a strong emphasis on the common values that all communities share such as self-respect, tolerance and the sanctity of life. We work hard to broaden our students' experience, to prepare them for life and work in contemporary Britain. We teach them to respect and value the diversity around them as well as understanding how to make safe, well-considered decisions.

The above list is not exhaustive and as new policy guidance and legislation develops within the remit of Safeguarding we will review and update our policies and procedures as appropriate and in line with the Local Safeguarding Children Board and Local Authority.
