

## IRCHESTER COMMUNITY PRIMARY SCHOOL

Dear Parents,

We ask you to sign a **general “blanket” permission slip** (see below), for a number of different opportunities in School and for supervised visits / activities in the locality that may occur during the year. Your **pre-approval** of these each September, (see below), makes organisation of events more efficient and keeps administration and checks to a minimum throughout the year.

*(Separate permission request forms will always be sent where any one of the following is planned:*

- an activity / visit outside the village;*
- an event where transport to / from a location is needed;*
- the activity takes place outside normal school hours ( eg pre/ after school clubs);*
- an activity / visit for which a financial contribution is requested;*
- any potential publication on the Internet*

*We shall be grateful if you always could return these promptly as pupils will not be able to take part in such activities without your specific, written confirmation.)*

All activities will be organised in accordance with our Health and Safety / Educational Visits policy guidance, with appropriate supervision levels etc.

If you are concerned about any aspect of this pre-approval, please do not hesitate to contact us so that we can try to resolve concerns and enable all our children to participate as fully as possible. Once signed, we shall assume that your approval applies throughout the School year unless you notify us otherwise.

Thank you for your co-operation.
