

These are just a few suggestions, have a look and see if there are any your child might benefit from accessing. Always make sure you supervise your child on the internet! I don't know all the adverts etc. that may pop up.

Websites for Parents and Carers

- National Numeracy Parent Toolkit has a wealth of tips and advice for parents.
<http://www.nnparenttoolkit.org.uk/>
- Oxford Owl includes a range of activities, top tips and eBooks to help your child with their maths at home.
<http://www.oxfordowl.co.uk/maths-owl/maths>

Websites for Children

- <http://www.ictgames.com/resources.html>
- <https://uk.ixl.com/math/reception>
- <https://www.topmarks.co.uk/Search.aspx?Subject=37>
- https://www.mathplayground.com/grade_1_games.html

Apps for Children

- Counting Caterpillar By Bellamon
- Wee Kids Math (from [Ebooks & Kids](#))
- EduGuru Maths
- Math Tales - The Jungle
- Math bingo
