

Road Safety Hero

Following our Road Safety Assembly on Tuesday 21st March –

How will you help the children and parents of our school keep each other safe?

Do you still want to become a Road Safety Hero?

If so, complete the form with your parents and hand into the office by the end of term - Friday 31st March.

We will then decide who will have the opportunity for this year to be part of our school's Road Safety Hero team and invite you to become a member.

We are hoping to begin our Road Safety work in Term 5/6.

The opportunity is open to all of KS2 and there will be 8 places to begin with.

Here are just some of the activities Road Safety Heroes can get involved in:

- > Talk at assemblies and to classes on road safety topics
- > Run competitions in the school, get prizes for the winners and hand out merit certificates
- > Use the www.streetwiseguys.co.uk website
- > Use the members area of this website
- > Write letters
- > Employ next year's RSHs by displaying the advert, handing out application forms and sitting on the interview panel
