

Year 5 homework expectations

We have had a great start in Year 5 and the children are working very hard and have settled quickly.

Just to clarify in case of any confusion/misunderstanding the expectations for Year 5 homework are as follows;

Practice your spellings and tables for 5 minutes each Monday–Thursday and once over the weekend (signed by a parent in their homework book). A total of 5 times in each week.

A minimum of 20 minutes reading every night (signed by a parent in their reading record).

We have done a times table's assessment this week and each child will be made aware of the ones that they must focus on.

With regards to spelling and tables, how they practice is up to them, they may chant them, copy them out, sing them, whatever works for them– as long as a parent signs (in your homework book) and says what they

have done. Spellings will be tested on Fridays.

If anyone has any queries regarding home work (or anything else) please come and see us/leave a message or write a note.

Regards

Mrs Ward & Mr Turvey
