Dear Parents/Carers

Unacceptable Use of Social Media

I have recently become aware of various comments that have been posted on social media sites in relation to matters at Irchester School.

I would like to take this opportunity to remind parents/carers of the wording of the Home-School Agreement (signed by children, parents and school) regarding both the acceptable use of social media (i.e. "not using social network sites to discuss any issues connected to the school"), as well as the need to "communicate openly and honestly with the school to raise any issues or concerns by following the Complaints procedure".

If any parent/carer has an issue or concern with any aspect of their child's education then they need to, in the first instance, raise this with the class teacher in order that it can be dealt with in accordance with the complaints policy.

If issues or concerns are not brought to our attention in the appropriate way, we are unable to work together with the parents to resolve those concerns.

If you have any further comments, please do not hesitate to contact the school.

Yours sincerely

Mrs Julie Lea
Chair of Governors
