

Nene Valley Partnership

Excellence in Education

1st April 2019

Dear parents, students, staff & members of the local community,

CONFIRMATION OF THE FORMATION OF THE NENE VALLEY PARTNERSHIP (NVP)

We are delighted to announce that as of Monday 1st April 2019, the Nene Valley Partnership (NVP) has been established as a Multi-Academy Trust. We are a partnership of three schools, Bozeat Community Primary School, Irchester Community Primary School and Wollaston School. All three schools also converted to Academy Status on the same date and we will now be directly funded by the Department for Education (DfE), rather than maintained by Northamptonshire County Council (NCC).

This is an exciting time for the Nene Valley Partnership and we are grateful for all of the support and work that has been put in to help us get to this stage – from parents, staff, NCC, the DfE and the staff and Governors of each school.

Our mission and purpose is the provision of ‘Excellence in Education’. We are committed to providing a coherent education to our children and families. We are a local partnership, which means that we are able to focus on collaborative ways to ensure the very best practice in all that we do. Our vision is for a high quality educational experience from age 4 – 18, with schools working together to ensure every student enjoys academic success, outstanding personal development opportunities and personalised support and challenge to fulfil their potential. In short – NVP aims to secure great outcomes for every single child who attends one of our schools.

In order to meet this aim, we believe in partnership working - with students, with families, with schools and with the wider educational community. The Nene Valley Partnership is our Trust – and central to the decision to establish this arrangement has been the desire to shape the future of education in our community for the benefit of all of the children that we serve.

We look forward to working with you in the months and years ahead to make ‘Excellence in Education’ a concrete reality.

Yours sincerely,

Mr James Birkett

CEO of Nene Valley Partnership
Headteacher of Wollaston School
