

Foundation stage Nativity 2020

A message from an angel – written for your children by Miss Young

Unfortunately, this year's performance cannot be a live performance due to the current COVID situation. So, instead we will be recording the performance and having a showing of it via ZOOM on Thursday 17th December at 7 pm. A Zoom link will be sent out to you nearer the time.

A copy of the performance will be available for purchase through PMX at a cost of £5 this will be opened on Friday 27th November. Half of the proceeds from this will go to our link school in Luweero, Uganda the other half will be used to enhance our outside provision for your children. Any other donation for Luweero can be placed in an envelope and given to the FS staff to take to the Methodist church to be sent. The disc will be sent home on the last day of school before Christmas.

We will be filming each scene and will then edit these scenes together to make the video. This is so we can try to social distance where possible and minimise the amount of children singing at the same time. But more importantly, this way, every child gets their moment on screen!

This year we will be asking you to bring your child's costume in a labelled bag by Friday 4th December so they can be quarantined over the weekend. Attached is the character your child will be playing and some costume ideas. Please do not feel you need to go out and buy anything. We appreciate it will be difficult to get costumes during the current lockdown. Instead, we are suggesting we go "old-school" and use whatever we have at home. If of course, you happen to already have a costume that fits your child's character, then all is well, they can use that. If you are having any problem getting a costume together please come and speak to any member of the Foundation Stage team as we have many bits that can be used.

Thank you for your continued support.

Miss Young and Mrs Ojeda.
